

Henok edmealem

UI / UX Designer

Addis Ababa, Ethiopia, +251-920958682, henok0ed@gmail.com , Henok Edmealem | [LinkedIn](#), [Henok Ed Behance](#)

Creative and passionate UI/UX designer with over two years of experience in crafting intuitive and engaging user interfaces. Skilled in developing high-quality design concepts and strategies using Figma, Illustrator and Photoshop. Adept at conducting user research, creating wire-frames and prototypes, and performing usability testing to ensure user-friendly designs. Proven ability to collaborate with cross-functional teams to deliver innovative digital experiences that enhance user satisfaction and engagement. Dedicated to staying updated with the latest design trends and technologies to continuously improve and refine design solutions.

WORK EXPERIENCE

2023-present UI / UX Designer ,

Esafe It Solutions, Addis Ababa, Ethiopia

- Design a complex dashboard for a security platform, improving user experience and data visualization
- Created detailed wireframes and interactive prototypes using Figma, ensuring clear communication of design concepts to stakeholders and developers.
- Collaborated closely with product managers and developers to ensure the seamless integration of design elements into the final product
- Utilized figma and Adobe Illustrator to craft visually appealing and cohesive design elements
- Worked on improving the user experience of existing products by identifying usability issues and proposing design enhancements.

2022-2023 Intern UI / UX Designer Zolar

Trading, Addis Ababa, Ethiopia

- Assisted in the design and development of user interfaces for various web and mobile applications under the guidance of senior designers.
- Conducted user research and competitive analysis to gather insights and inform design decisions
- Participated in brainstorming sessions and design critiques, contributing innovative ideas and constructive feedback.
- Assisted in usability testing sessions, documenting user feedback and suggesting design improvements based on findings.
- Designed and maintained style guides and UI component libraries to ensure consistency across all products.
- Kept abreast of the latest UI/UX trends and technologies, incorporating best practices into design tasks and projects
